Important Notes

Make the most of your community investment

Please fill in the information on the front of this form that asks for your name, address and telephone number. Your signature is required to process your pledge.

Thanks to United Way Cornerstone Partners who cover our operating costs, 100% of contributions received will be invested in programs to help people in need within the four-county Portland/Vancouver area, this includes your donation to designated 501(c)(3) non-profits. Giving to the United Way's Community Impact Fund is the most effective way to make long-term changes in our community and the lives we touch. United Way researches the needs in the community, leverages your dollars, and invests in programs that achieve measurable results.

A minimum of \$50 per designation is required when directing your gift to a specific organization. If the organization you designate is not a registered tax-exempt 501(C)(3) organization, your information is incomplete, or the organization doesn't certify Patriot Act compliance, we will make every reasonable effort to contact you.

If we're unable to reach you, your gift will be directed to the initiatives, programs and services funded by United Way.

A maximum of 3 organizations may be selected for designations.

One-time gifts of \$250 or more will receive an acknowledgement for IRS purposes.

Our privacy pledge to you:

United Way will not sell, rent or loan any donor information, and only publishes your name and company to provide recognition for leadership giving.

Including United Way in your estate planning will not only provide long-term support for your community, but will also help you meet your financial goals by reducing estate, gift and current income taxes, while providing income to you and your family.
