We bring our leadership, expertise and resources together throughout
our region to change the education, health and economic outcomes for
kids in low-income families. We can break the cycles that trap children
in poverty and move children and families toward better lives.

United Way of Columbia-Willamette has a simple, ambitious vision-to
make our home a better place for everyone. Our work is focused on
creating a place where communities are connected, families are stable
and kids are set up for success-regardless of their background or where
they live. We bring our leadership, expertise and resources together
throughout our region to change the education, health and economic
outcomes for kids in low-income families and communities of color. We
can break the cycles that trap children in poverty and move children
and families toward better lives. Together, we have the power to create
lasting change and to bring big ideas and big ideals home.

Form 990, Part III, Line 4a, Program Service Accomplishments:

Transformation Grants Cont'd: United Way will select one collaborative
to invest in through the Community Transformation strategy. The
community collaborative will consist of a number of organizations
and/or groups from different sectors that are working together in
alignment with UWCW's new strategic goals of successful kids, stable
families and connected communities. After selection, UWCW will engage
with the collaborative as a partner in a planning process to co-create

a business and work plan that achieves the results outlined by the

collaborative to create impact in their community.

Strengthening Grants - The goal of Community Strengthening grants is ultimately to support the establishment of a stronger network of nonprofits in the four-county area. Specifically, UWCW will support the work of nonprofits who are leading the way in reducing poverty for children and families.

Strengthening Grants: By investing in and connecting these organizations together, we hope to help align services and networks to achieve greater impact in breaking the cycle of childhood poverty. UWCW will select up to 30 organizations that will act as a cohort and will primarily focus on strengthening their organizational capacity to improve outcomes for low-income families and their children. For this strategy, UWCW aspires to have a balance of emerging and established organizations, geographic distribution and organizations serving culturally specific communities. Applicants will be required to provide specific information about each of these different factors.

Additionally, UWCW recognizes that poverty in many communities is a generational issue and is looking for strategies that both impact immediate poverty issues and address the longer-term issues that keep families in poverty.

Grantees will be required and expected to participate in a planning process where grantees will organize into learning communities based on common issue areas and organizational interests. Throughout the funding period, these learning communities will meet to share experiences, exchange data and information and build collective knowledge around new and promising practices. Learning communities will be self-organized,

meaning that organizations within a learning community will determine

learning objectives, frequency and duration of meetings, etc. United

Way staff will provide convening, facilitation and administrative

support to develop and nurture the success of these learning

communities and other supports as available and requested.

Additionally, during the planning process the cohort will identify

shared outcomes that will be evaluated throughout the grant cycle. Each

learning community, in partnership with United Way staff, will be

responsible for documenting what is learned through this process so

that we can share this more broadly across the community.

Safety Net Grants - The Safety Net funding strategy is designed to

provide critical aid for our most vulnerable families through

short-term, non-competitive investments in supportive programs that

provide housing, food, heat, utilities and other essential needs for

individuals that, due to an unforeseen personal crisis, disaster or

emergency in their lives, would benefit from additional assistance.

Safety Net partnerships are one-year in length and the grant amount

varies by organization.
